

# Savita Singh

Savita Singh moved to Calgary from India three years ago. While in India she earned a Master's Degree in Business Administration. Savita continued her education in Canada and received a Diploma in Human Services. She hopes to work with immigrants by providing settlement counselling services. Savita loves to cook, volunteer, garden, help new mothers, and explore the city with her three-year-old son.

Savita got connected to CIWA through an organization in the city and has been supported by CIWA through many services and workshops. She is grateful for the assistance and support she has received and has sought to give back. She volunteers as an office support in the Volunteer Program: she meets and interviews new potential volunteers. Savita provides ongoing interpretation services and supports reception on all four floors. She has also volunteered for Special Events and at the Youth Summer Camp.

CIWA was there for Savita when she needed support the most; she found strength and encouragement at CIWA. She is grateful for the opportunity to give back. She can now help others in their journey towards settling in Canada. Savita has learned about different cultures and the variety of needs that immigrant women have. She is thankful that she can learn vital transferable skills in the Canadian workplace culture, as this will help her find meaningful employment. Savita thrives on meeting and directing potential volunteers to the perfect position. Through volunteering her confidence has drastically increased. She enjoys the networking opportunities and referring new clients to CIWA. She loves the positive work environment at CIWA.

Savita is the Volunteer of the Month because of her passion, and professionalism that she brings to her role. She is resourceful and can adapt to a variety of situations with ease. Savita uses her previous work experience and problem-solving skills to enhance the Volunteer Program. Her beautiful smile and positive attitude are infectious and affect CIWA staff and volunteers alike.

Congratulations Savita for being Volunteer of the Month for December!
