

Kiran Meer

VOLUNTEER OF THE MONTH

Kiran Meer, originally from Pakistan, came to Canada 4 years ago. She was in High School back in Pakistan and in Canada she has been busy volunteering as well as attending CIWA's LINC Program, Civic Engagement Youth Leadership Course and Retail Training Program. In her free time she enjoys cooking, reading books and taking care of children.

Kiran currently volunteers at CIWA helping with childcare and special events such as United Way. She enjoys volunteering as it gives her a chance to help the community. She likes helping other immigrants and their children adapt to life in Canada. She also volunteers to get Canadian work experience and references to help her along her journey.

Kiran is a very enthusiastic and committed volunteer. She always arrives on time and does her best to help out where she can. She always mentions to staff at CIWA how happy she is able to help our clients and students. Kiran checks in frequently to see if there are new volunteering opportunities for her. She is dedicated, gentle and kind.

With great pleasure, CIWA recognizes Kiran as the Volunteer of the Month for March!
