## **CIWA Communiqué: Requirements for Entry to CIWA Premises**

Calgary Immigrant Women's Association is committed to providing and maintaining a safe and healthy work environment. CIWA takes all reasonable and necessary measures to protect CIWA staff, clients, volunteers/practicum students, funders, vendors, and other individuals who access our office, programs and services, from illness, injury, and accidents. To that end, CIWA has consistently followed measures from government and health authorities throughout the pandemic.

In line with Government of Alberta's current guidelines, CIWA requires all staff, volunteers, clients, visitors, contractors and suppliers to demonstrate either of the following before entering any of CIWA's office premises or facilities effective January 1, 2022:

- Proof of full vaccination; or
- Proof of a negative COVID-19 test (results received not more than 72 hours prior)

CIWA will continue to offer multiple options for all clients to avail of CIWA programs including: in-person, by phone, virtual/online, or hybrid services. For more details about accessing CIWA services, please contact [communications@ciwa-online.com](mailto:communications@ciwa-online.com) or (403) 263-4414.

Masks, physical distancing and sanitizing remain in place throughout CIWA premises and facilities, as well as any when accessing services outside of CIWA premises.

We appreciate your cooperation to help CIWA continue to provide a safe workplace for all and assist the community in addressing the pandemic.

---
